

**Workforce & Workplace Have
Changed: Let the Adapting
& Innovating Begin**

**KEYNOTE SPEAKER
Karen Elzey**

Vice President & Executive Director
U.S. Chamber of Commerce's Institute
for a Competitive Workforce

Join the Greater Tampa Chamber of Commerce for the 2009 Workforce Summit to discover how to maximize the productivity of your employees and build a smarter, stronger workforce for Tampa Bay.

Workplace demographics are changing.

- Today's workforce embraces an attitude toward workplace values that is different from the past.
- A maturing baby-boomer population has brought with it the unique challenges of an aging workforce.
- America's workforce continues to diversify as the number of women, minorities and foreign-born immigrants grows in the U.S.
